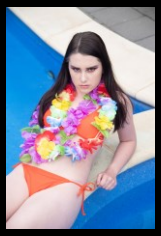
INTRODUCING THE ALL-NEW KNOW THE

THE ALL NEW TEENGIRLFIGHT.COM IS NOW THE REBEL CHILD OF GIRLFIGHT THEREFORE, ALL MODELS REGARDLESS OF AGE WILL NOW BE PROMOTED AS

FIGHTERS ARE OFTEN SWEATY AND MAY EVEN GET HOT BEFORE A FIGHT SIMPLY BECAUSE THEY HAVE BEEN TRAINING AND WORKING OUT BEFORE THE FIGHT. THIS WORKS UP A SWEAT. IN SOME SPORTS, FIGHTERS ARE ALSO RUBBED DOWN WITH VASELINE OR OIL TO PREVENT GLOVES AND STRIKES FROM CUTTING THEM SEVERELY...

WHENEVER SOMEBODY STEPS IN, SITS IN, LAYS IN WATER IT IS VERY COMMON THEY BECOME SOAKING WET IF THEY ARE PROLONGED TO THE WATER LONG ENOUGH, ESPECIALLY FOR A PHOTO SHOOT...



A LEI IS A FLOWER GARLAND / NECKLACE AND WHEN YOU PLACE A LEI ONTO SOMEONE THIS ACT IS CALLED "LEING THEM" AND THE PERSON IS “GETTING LEI’D”. AFTER IT HAS BEEN PLACED ON THEM THEY ARE NOW "LEI'D"...

DESCRIPTIVE ADJECTIVES ARE NOTHING MORE THAN AN ATTEMPT TO REACH A STRUGGLING TEEN OR YOUNG ADULT MODEL WHO MAY FEEL THEY DO NOT QUALIFY FOR PUBLICATION BECAUSE OF HOW THEY LOOK OR THE IDEAS THEY REPRESENT. BUT BECAUSE WE ARE SPECIFIC WITH OUR ADJECTIVES MANY MODELS - SUCH AS THOSE WITH TATTOOS - FEEL MORE COMFORTABLE AND CONFIDENT ABOUT THEMSELVES. THE CATEGORY OF "MEN'S" WHEN REFERRING TO A MAGAZINE IS ANOTHER EXAMPLE OF THIS - THIS CATEGORY – FOR EXAMPLE - HELPS MANY FATHERS OF TEEN MODELS GET IDEAS FOR THEIR OWN TEEN MODELS' SHOOTS!

NO MATTER THE SEASON - BIKINI MODELING PROVIDES AN IMPORTANT FUNCTION SHOWING DESIGNERS HOW THEIR CLOTHES WILL FIT ACROSS DIFFERENT BODY TYPES. BIKINI FIGHTS ALLOW FOR BETTER FLUID MOVEMENT WITHOUT THE INTERFERENCE OF CLOTHES AND PREVENTS THE FIGHTERS FROM BECOMING DEHYDRATED ALLOWING THE FIGHTS TO LAST LONGER - A GREATER EXHIBITION OF ONE'S SKILL!

RATINGS EXIST AS A VOLUNTARY GUIDELINE ONLY. AN ITEM MAY HAVE BEEN RATED BASED ON 1) THE AGE OF THE MODEL(S) APPEARING ON THE COVER; 2) THE AGE OF ANY MODEL(S) APPEARING IN THE ITEM (INCLUDING ITS MARKETING AND ADVERTISING) ; OR REFERS TO THE AGE FIRST PHOTOGRAPHED AND/OR FIRST AGE OF ANY MODEL ON THE COVER OR INSIDE WERE PUBLISHED WHETHER BY THIS COMPANY OR ANOTHER COMPANY AND THEREFORE BARES NO OTHER MEANING.

THESE 3 GIRLS ARE OVER 18 BUT IT IS SOCIETY'S POORLY CONCEIVED NOTION THAT ADULTS OVER 21 MUST LOOK AND STYLE THEIR HAIR A CERTAIN WAY. THAT IS YOUR MISCONCEPTION AND TWISTED PERSPECTIVE OF YOUR OWN MISCONCEIVED CONVOLUTED REALITY.

At a secluded private high school for juvenile delinquents off the beaches of Malibu, Warrior High - where wet dreams become a reality for many swimmers - holds weekly fight clubs aimed to show their teen girl how to use their bodies as weapons other than for swimming! But there's a darker side to these weekly fight clubs.

As the school faces financial trouble, both the team leader, hell-bent on being the best and only of her class to graduate, along with the superintendent hatch a sinister plot guaranteed to make a splash by hosting a brutal teen girl fight club from Hell where its participants must discover the heart of a champion beats under their bikinis while they kill each other inside a brutal cage on the sunny sands of the West Coast! They're the girls your mother warned you about and they're looking to turn heads by making waves as the battle for the top swimmer commences in this ruthless survival game while being wagered against and broadcast all over the dark web to a wealthy clientele! Based on many true crimes! See the Research Guide for details!

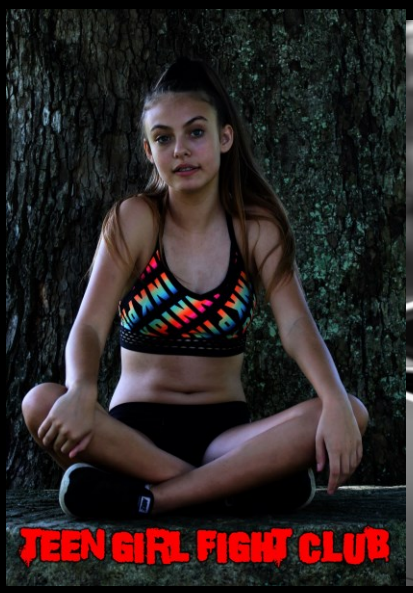
What are TEEN GIRL FIGHT CLUB VIDEO BOOK DVDs?



You've heard of audio books? Now try a video book, an audio book played to a photo slideshow of several of the talents from TeenGirlFight.com - This is No Ordinary School Day Welcome to Warrior High where the motto is "Fight Like a Girl." But this is no alternative school or after-school program for at-risk youth; this is a private modeling academy preparing teen girls on how to become successful models when they become adults. One method is for them to learn the brutalities of competition in the school's Friday Fights. As the school faces financial trouble, both the prom queen, hell-bent on being the best and only of her class to graduate, along with the principal hatch a sinister plot to make that happen - by hosting a teen girl fight club from Hell where high school girls kill each other inside a brutal cage, all while being wagered against and broadcast all over the dark web to a wealthy clientele, including their own parents. Note: This is our flagship book project that will be rewritten with several stories all featuring your favorite models from TeenGirlFight.com – Wath for the Teen GirlFight Book Series this Summer and see new models ONLY FEATURED in these books!

Extreme Madness: Collected Horror Writings

Extreme Madness contains the morbid and macabre writings and transcripts written by the author between the ages of 11 and 16. Through these writings the reader is confronted with these tales of extreme madness that chronicle violence and revenge through several tales of fantasy horror and make-believe involving kids playing ninjas, superheroes, gangsters, vampires, serial killers, clown-like zombies, giants, gods, necromancers, and other hideous monsters to kids engaged in extreme wrestling and deadly fight tournaments, these unfinished works and documented events reflects the modern impact popular culture plays on children. This collective provides a complete history about the author's writings known from 1995 to most of 1996 and between 1997-1999. It often contains elements from science fiction, horror, fantasy, martial arts, and drama using several comedic forms. Other parties, namely professional wrestling, Greek tragedy, Mortal Kombat and tournament-centered martial arts films, have influenced much of his works. Each work centers around a morale or lesson often overlooked given its controversial nature. Told across six magazines available only at TVSKEntertainment.com!

Years before both films, Battle Royale and The Hunger Games, and eve

bone-crunching minutes and beating each other up in 48 matches, with
each of us depicting at least 10 different varied character personas fro
savage animals, stone cold killers, assassins, kings, gods, mob bosses
drunks, preachers, sumo-wrestlers, pimps, phantoms, superheroes,
necromancers, and more using many hardcore weapons inside a base-
